Mrs. F. A. Bons
clerk

Mr. Frank H. Burch
member

Under the regular and close scrutiny of the Board of Education, the Superintendent and his professional staff administer the Phoenix Union High Schools and Phoenix College System.

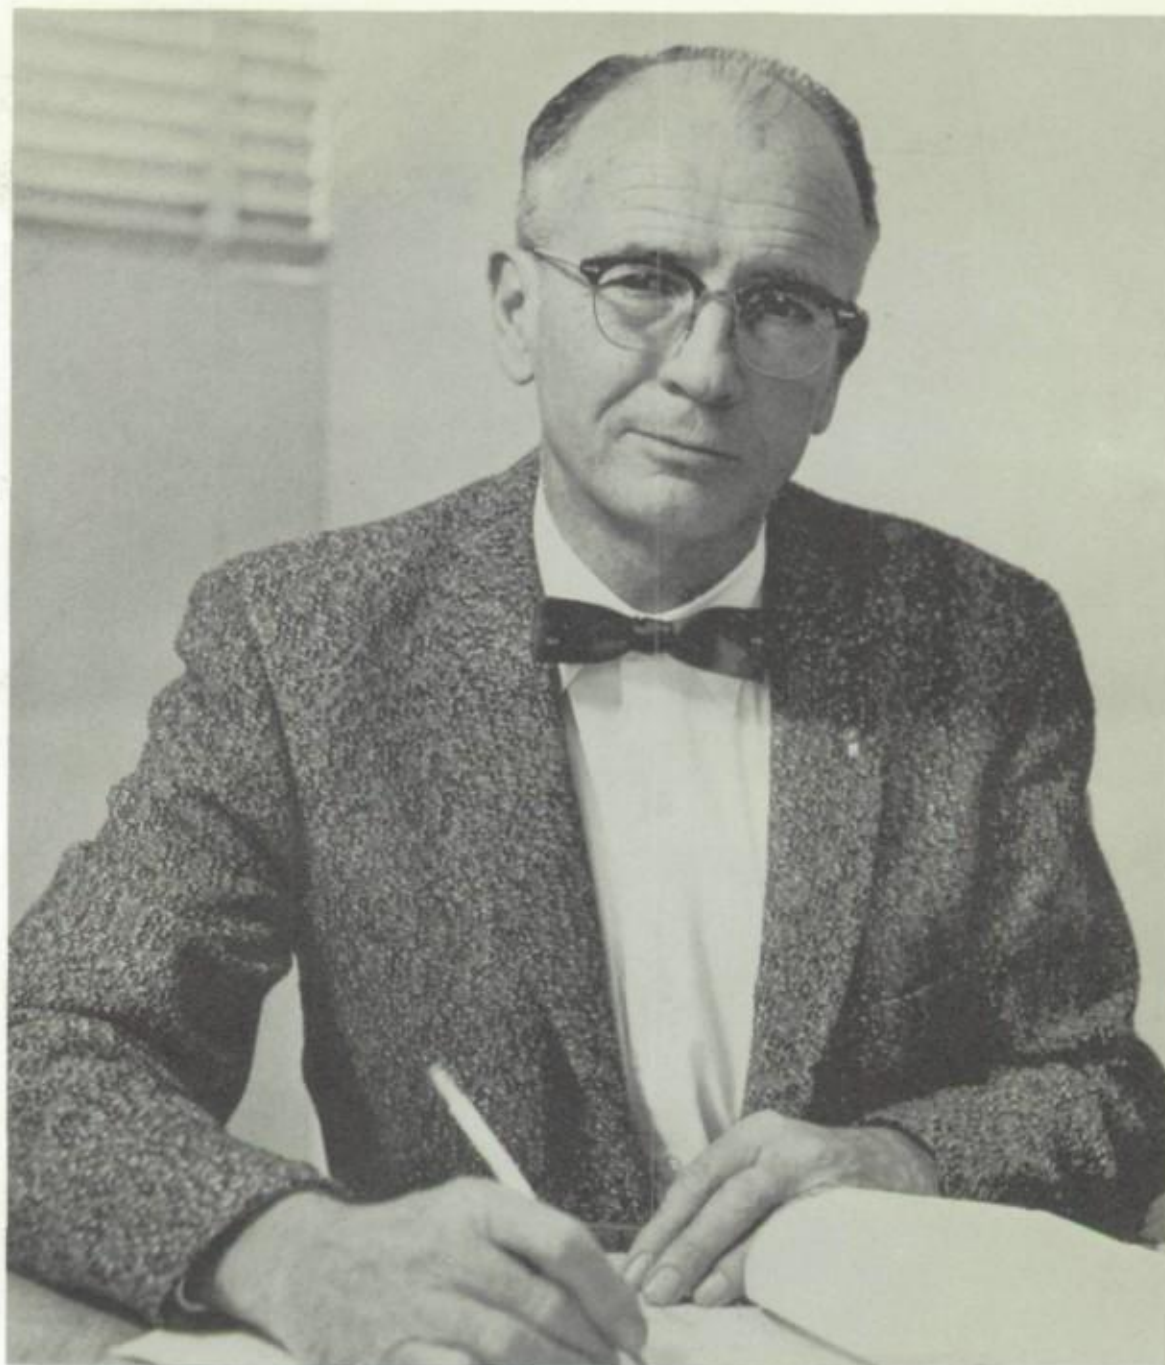

Mr. Elmo G. Gerber
member

Mr. Bruce Moore
superintendent

administration

The executive part of West High is one that has done an outstanding job. The administration does the actual running of the school. It is also responsible for the policies of the school. The administration of West is recognized by the students as one of friendliness and helpfulness.

teachers

Here at West we are noted for our outstanding scholastic ability. This is due to our excellent faculty. The teachers spend much of their time with their students, helping them with projects and extra work. This added encouragement leads many students to great success. We give our sincere thanks to the faculty of West High.

As sophomores, you have had a very exciting and active year. The home-coming dance and the dance after the Basketbrawl were sponsored by you. You have had the mandatory sales in the stand; the proceeds of which will go towards your prom. Miss Doyle and Mr. Lundeen have been a steady influence on your class.

This has been a very successful year for you the freshman class. You have included among your activities the dance, "West Webel Wock", a car wash, and serving refreshments during the "Basketbrawl". You have also initiated the selling of stuffed Thunderbirds. You started the year right with almost one hundred per cent dues collection.

student government

The Student Government of West High had an outstanding year under the leadership of Dave Groseclose. This governing group of West high proved to be an excellent example of student leadership. They sponsored the annual magazine sale, which added to the "Loop" fund. Student Government enables every student to have an active and informative part in the governing of the school. Through this privilege a better knowledge of government is extended to every pupil, making them better citizens of the future.

Dave Groseclose
Student Body President

"This has been a good year in Student Government."

"S-U-R-E!"

"No, really it has."

The officers of the Student Body were elected at the conclusion of last year and have served this past year. They have worked diligently and accomplished a great deal for the betterment of our school.

Enforcing the Citizenship Merit System is the duty of the Guidance Board. The Guidance Board is made up of students elected by the student body, two from the Junior Class and two from the Senior Class. They spend two periods a day to hear student cases in poor citizenship.

standing committees

The Election Committee is composed of five members whose duty it is to conduct Student Body elections. They also conduct "Queen" elections.

The main purpose of the Finance Committee is to act on any financial matter concerning any use of the money of the Associated Student Body.

The newest of the standing committees is the Safety Committee, it conducted a campaign for the student body.

The school's excellent social events were due to the planning of the Social Committee. This committee is responsible for all the social activities that are school sponsored.

The Activity Committee handles the sale of activity tickets, drives and campaigns under the direction of Student Government.

This years well-planned assemblies were the accomplishment of the Assembly Committee. This committee has the responsibility for all the assemblies.

You owe your clean cafeteria to the Cafeteria Committee. They also are responsible for the juke box and the orderly lunch lines. The 25 members do a fine job in handling this important job.

student council

The Student Council of West High is a group representative of the student body. This year has seen many changes in the organization of the Council. It has become a smoother running counterpart of the Student Government. Student council enables every upil at West High to have a voice in the governing of their school.

Dean Fullington at the "Prom"

Every girl upon entering West is automatically a member of Girls' League. The league is directed by an elected cabinet of officers and co-ordinated by four class councils. They are sponsored by the Dean of Girls', Miss Eleanor Fullington, and faculty advisers.

All of their united endeavors integrate into one continuously functioning body to promote a wholesome spirit of unity among the girls.

Their activities this year included an all-boy discussion panel, the spring formal, Misty, and the Puff 'n Pant Prom.

The officers of Girls' League are, from top to bottom: President, Beth Earley; Vice President, Joanne Fenwick; Secretary, Sandy Fuchs; Treasurer, Mary Howsman.

The members of the four class councils are selected from their respective classes. There are twenty-five girls in each. Every council has individual projects and parties.

Annie Dessaint

Annie came to West from Lievin, a town in the northern part of France. While in Phoenix she is living with Tiff Barnard and her family. Annie has noticed few differences in the customs of France and the United States. However she discovered that the French idea of America is much different than reality. Annie intends to tell the people in her country that America is not like it is pictured in the movies, since they think the typical American girl looks like Jayne Mansfield or Marilyn Monroe. As you can see above Annie has adopted the American custom of gossiping with the crowd.

foreign exchange

Painting on the Rodeo Dance decorations is Annie Dessaint. How western can you get?

Lucky enough to spend a summer in Turkey was Polly Alexander. She lived with the Siam A t a r family in Kandili, a suburb of Istanbul. There were nine people in her family; her mother, father, three sisters, an aunt and a cousin.

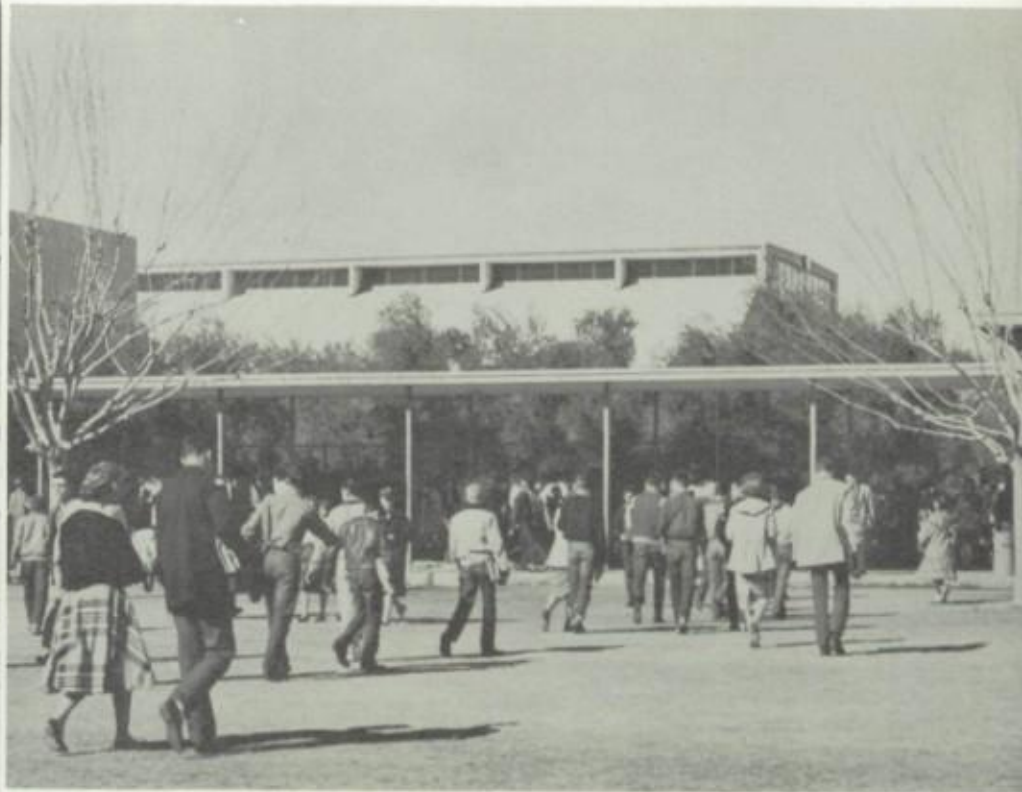

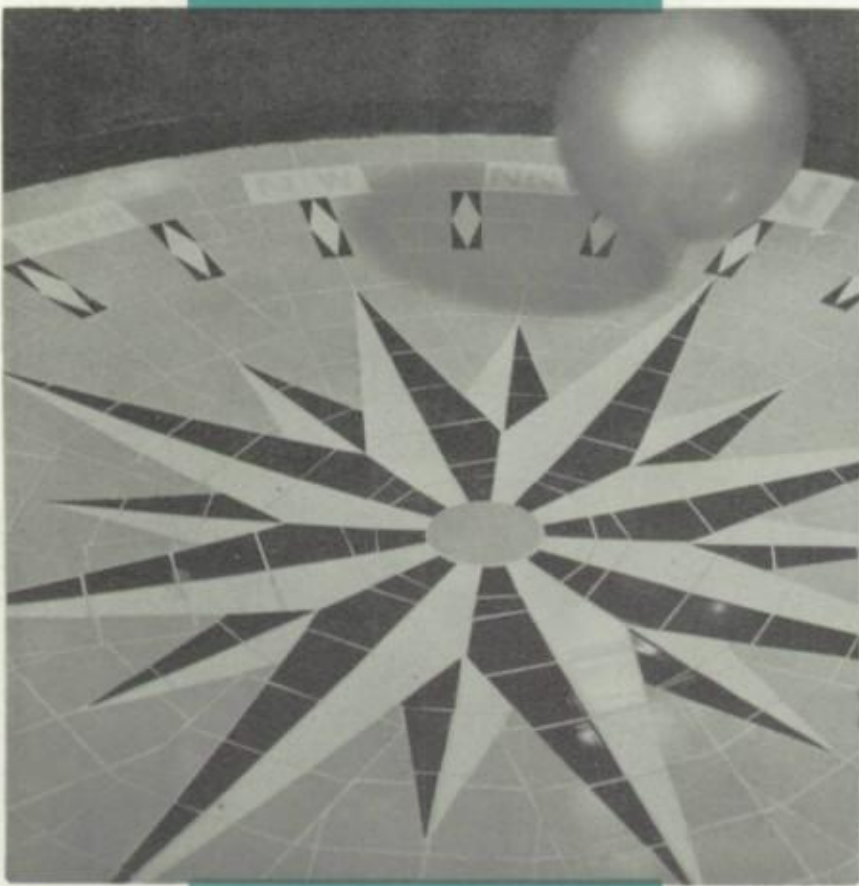

Her activities during the summer centered around the Galatasary Sports Club. They swam all day and then returned home unless there was a dance. Polly's reaction to Turkish-played rock and roll was "Allah-Allah" (heavenly days). On other days they went to the

port island in the Marmara Sea for a picnic. Polly was very impressed with the friendliness of the people. She returned with a deep regard for the nation of Turkey. The picture on the left is the Aya Sofya, a Mosque in Istanbul.

The loud sounds emitted from room 241 during fifth and sixth hour were issued from the annual staff. After the final copy and dummy were turned in, the staff indulged in a bit of steam-letting. The efforts of Mr. Zimmerman to make order out of chaos were a failure. Out of this turmoil came your '60 Westerner. The annual staff also spent Saturdays and holidays haunting Mr. Zimmerman.

sun dial staff

On alternate Fridays the Sun Dial comes out. Under the direction of Mr. Agee, the staff slaves away to make sure that it will. If you pass room 111 on any afternoon, you will be bombarded by noise and confusion. From all this comes one of the best newspapers in the State.

The editorial staff of the Sun Dial is responsible for the policies of the paper. They write the editorials and paste down the newspaper; two very important jobs.

The ad staff of the Sun Dial provides the main part of the financial backing for the paper. It is their job to gather ads for the paper. You may have seen them dashing around during sixth hour every day.

All those interesting little bits of information that you read in the Sun Dial are the product of the genius of the reporters. They do the searching out of facts and really the biggest part of making the newspaper All-American.

This year's R.O.T.C. has been one of more outstanding groups that West has seen. They have competed in the Veteran's Day Parade, in which they won first place, and on Military Night. Their candidate for Brigade Queen won. Under the leadership of Sergeant Combs they have become a well-disciplined unit.

The Girls' Athletic Association has been in existence since the beginning of school in 1949. The main object of this club is to provide additional athletic activities for those who are interested.

foreign affairs club

This club places a special emphasis on foreign elements in our community and world. It also takes field trips to nearby points of interest. It is open to any student interested in foreign customs and culture.

bowling club

The Bowling club is one of the largest clubs at West with a membership of seventy. They are a member of the American Junior Bowling Congress. Five teams have won trophies at the National Tournament.

thunderblades

The ice skating club at West High is known as the Thunderblades. It meets on Thursdays at Iceland for an afternoon of skating. This year it has had projects to raise money for the "Loop" fund.

Quill and Scroll has been in existence for seven years. Every year they take a trip to some interesting place. This year's trip was to California where they visited Disneyland and other points of interest. Quill and Scroll also sends representatives to several journalism conventions.

quill and scroll

Thirty-five junior girls compose the Tri-Hi-Y club known as L'ouest Fille. This club has had an active year. Some of their activities include a Cystic Fibrosis drive, a car wash, a sale of records for T.A.P., they have also worked at the Good Shepherd home. They have also had many parties.

l'ouest fille

Ushering at all athletic events that are held in our own stadium or gym is the responsibility of the Stadium Club. This group also ushers at band and orchestra concerts and at public gatherings held at West. The Stadium Club has been in existence since 1949.

stadium club

western probettes

The nursing club of West High works as hostesses at Good Samaritan Hospital. They also work in the nursery. Many of the girls plan a career in nursing. Their projects give them a taste of what nursing would actually be like.

Talent is a quality which is among the assets of Masque and Gavel members. This club is an honorary society for students of drama and speech. The members participate in plays and in speech and drama contests throughout the year.

masque and gavel

radio club

A common interest unites the members of the Radio Club; this interest being the promotion of amateur radio. The twenty-one members participate in demonstrations and lectures on radio receivers and transmitters. The club also helps individuals get amateur radio licenses.

tri charite

The girls of Tri Charite have sold doughnut holes, picked oranges, gone on Cystic Fibrosis drives and worked on TAP projects to help fill out a well-rounded last year of high school. Many of the girls have been members of the club since it was first formed in their freshman year. This year's foreign exchange student is also a member.

thunderettes

The twenty-five members of the Thunderettes spend a great deal of time helping charity organizations and working on service projects. As one project, they made favors for Memorial Hospital. They also have had cake sales and social gatherings.

Adelphia Tri-Hi-Y is a primarily a service club. Some of its projects for the year included stuffing envelopes, collecting food and clothes for St. Vincent de Paul and visiting the State Hospital.

adelphia

future homemakers of america

The Future Homemakers of America is a club that prepares its members for their futures as homemakers. The members of the club are girls who have had home economics. The group regularly sends representatives to the district convention and has many projects.

french club

The specific purpose of the French Club, which has been in existence for two years, is to give the student of French a chance to speak and enjoy French outside the classroom. The club's main project this year has been to create a more French atmosphere in the French classroom. It has done this by decorating the room with a French flag, famous French masterpiece reproductions and travel posters depicting France. A number of French songbooks, Chantant, were also made up by the club.

thunderteens

The Thunderteens have been very active throughout the year. Making cancer pads and giving money to the Sunshine House have been two of their biggest projects. This club is open to any able, active, and ambitious sophomore girl who is willing to serve her community.

audio visual technicians

The responsibility of showing all film strips and playing records for the classrooms of West rests on the Audio-Visual Technicians. Altogether they show 720,000 feet of film in a school year, and each boy in showing it sees approximately 216 hours of the film.

girls' letter club

The primary purpose of this club is to engage in activities that will bring the girls of the club together socially. This year, between semesters, they went to the Snow Bowl. They also had a Christmas tea for the graduates that had previously been in the club. The only requisite to membership is the possession of a Letter for participation in sports.

parnassus

To be a member of Parnassus, one must keep a grade average of 1.5. With this requirement, the members are generally scholastically outstanding. This club is the one responsible for the Valedictorian's gift. It is considered an honor to be a member of this club.

magic club

Often seen around the Valley are the members of the Magic Club. They perform for churches, crippled children, boy scouts, and other such groups. The primary purpose of the club is for the members to perform before an audience.

national honor society

One-hundred members of National Honor Society have a 3.7 grade average for their entire high school years. It is a national organization that was formed with the senior class at West. They present the gift to the yearbook.

Every Saturday the Rockhound Club members spend time looking for interesting stones. They collect, compare, investigate, and discuss fossils and other specimens. It is a new club on the campus.

rockhounds

This club observes teaching in schools and attends a State convention. The purpose of the club is to inform students about teaching methods and principles. It also acts as the host club to the country-wide FTA convention.

future teachers of america

Among the many service clubs at West is Tri-Fe. It spends some time helping at the Golden Gate Settlement. This Freshmen club sends representatives to T.A.P. and Model Legislature.

tri-fe

aristoi

This freshman Hi-Y was one of those clubs which decorated for color day. It also participated in an orange - picking project to raise money. The members are expected to have a 3.0 grade average and less than eleven demerits.

graphic arts club

The Graphic Arts Club of West High provides opportunity for students interested in printing. This club is affiliated with the Ben Franklin Clubs, a nation-wide organization. The club was formed ten years ago for students who were interested in working in the print shop after school.

tri-amicitae

Tri-Amicitae is a senior Y-Teen club. The purpose of this club is to promote understanding between all people. The 37 members of Tri-Amicitae have been very active this year. They have had a Thanksgiving program, a Goldwater's fashion show, the semi-formal called Mardi-Gras, a get-acquainted party, and a farewell banquet. They also supported UNICEF and TAP.

future engineers of america

An electron microscope was the main project of the Future Engineers this year. It also devoted a great deal of time to the pendulum. The only requirement as to membership is a sincere interest in science. The members of the club have brought to our school many honors in the field of science.

king's club

The King's Club was active over the Christmas season by passing out "dead on arrival" tags to motorists as a reminder to be more cautious while driving. Since they are affiliated with the Lion's Club, they have as a part of their program the project of buying glasses for people who cannot afford them.

tri-vitae

Tri-Vitae has been active this year on many projects. One of their biggest ones was an all-school assembly. It featured four outstanding members of our city. This assembly was the first of its kind here at West. They also sold potato chips for Cystic Fibrosis and aided in the United Fund Drive.

creadores

One of the most active clubs at West is Creadores Hi-Y. Included among this year's activities were the annual trip to the Sky-Y camp in Prescott with Tri-Charite, and a trip to California. The fellows also adopted a Christmas family, collected clothing for the Firemen's Auxiliary, and gave aid to various charities during thier fund drives.

compadres

This past year has seen the Compadres involved in many different service projects. They have donated money for the Buildings for Brotherhood fund and have been active in working for Cystic Fibrosis and helping with the selling of Christmas Seals.

tri kappa epsilon

This sophomore club aids in various charity drives and visits wards in the Arizona State Hospital. It is represented in several valley organizations such as TAP.

Among the many service clubs at West High is the Key Club. It has sponsored most of Foreign Exchange since its initiation. They are active in many community projects and affairs, such as Kid's Day and the Junior Rodeo. This year they put on the Christmas formal, "Crystal Fantasy."

key club

deo-duce

The group you see ushering at P.T.A. meetings is Deo-Duce the freshman Tri-Hi-Y. They also helped TAP by selling records. The name of the group is one that was passed down from a graduated senior club.

wheel club

The Wheel Club was formed in 1955 to develop leadership and give each member a better realization of their obligations to school and community. This active club of twenty-five members sent representatives to TAP and Fellowship Council.

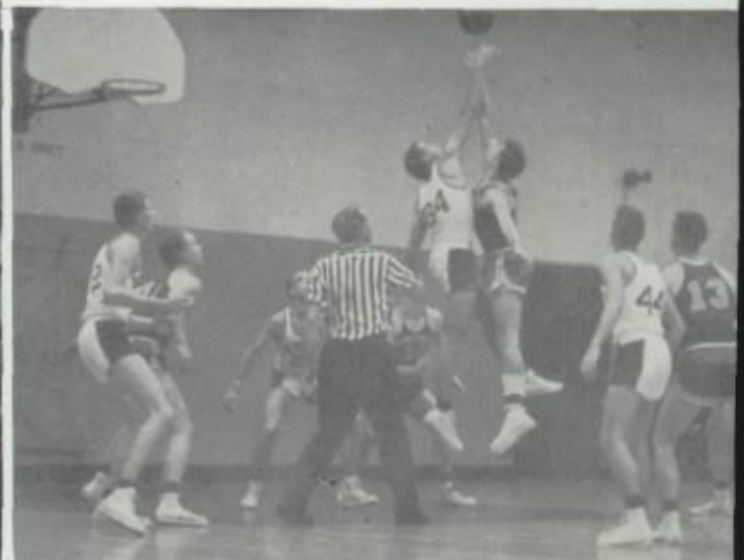

creative writing club

The Creative Writing Club was newly formed at West this year. It has been busy ever since it came into existence. The purpose in having this club is to gather the students who are interested in promoting an interest in creative writing. Their main project was the Pot-pourri magazine.

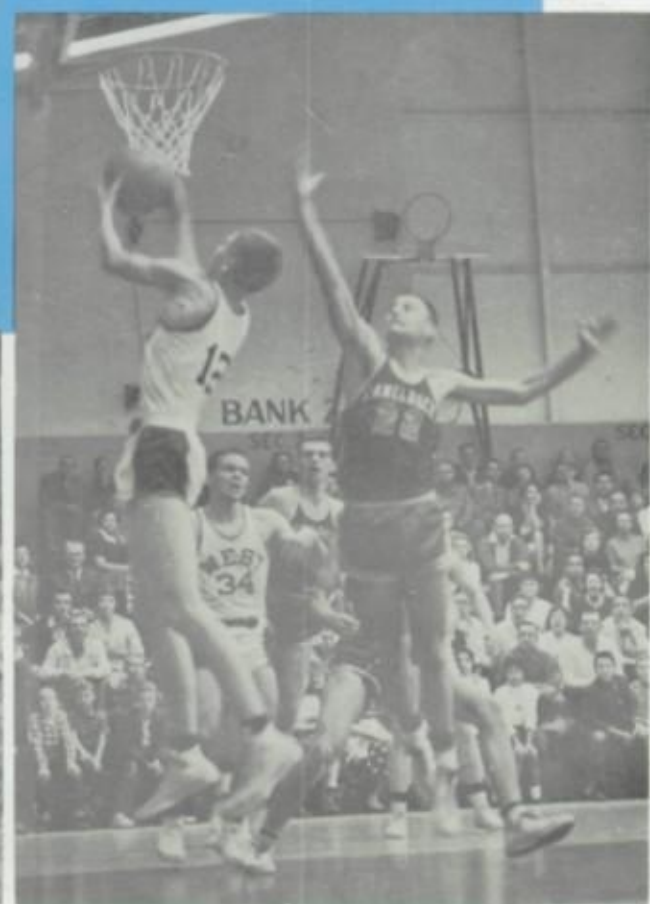

fellowship council

A group of students at the N.C.C.J. Conference decided that brotherhood should be better known at West. Consequently the Fellowship Council was formed in December 1959. They sponsored the Brotherhood assembly during Brotherhood Week, which included a guest speaker, a speech entitled "No One Asked," and tableaux representing the seven frontiers.

sports

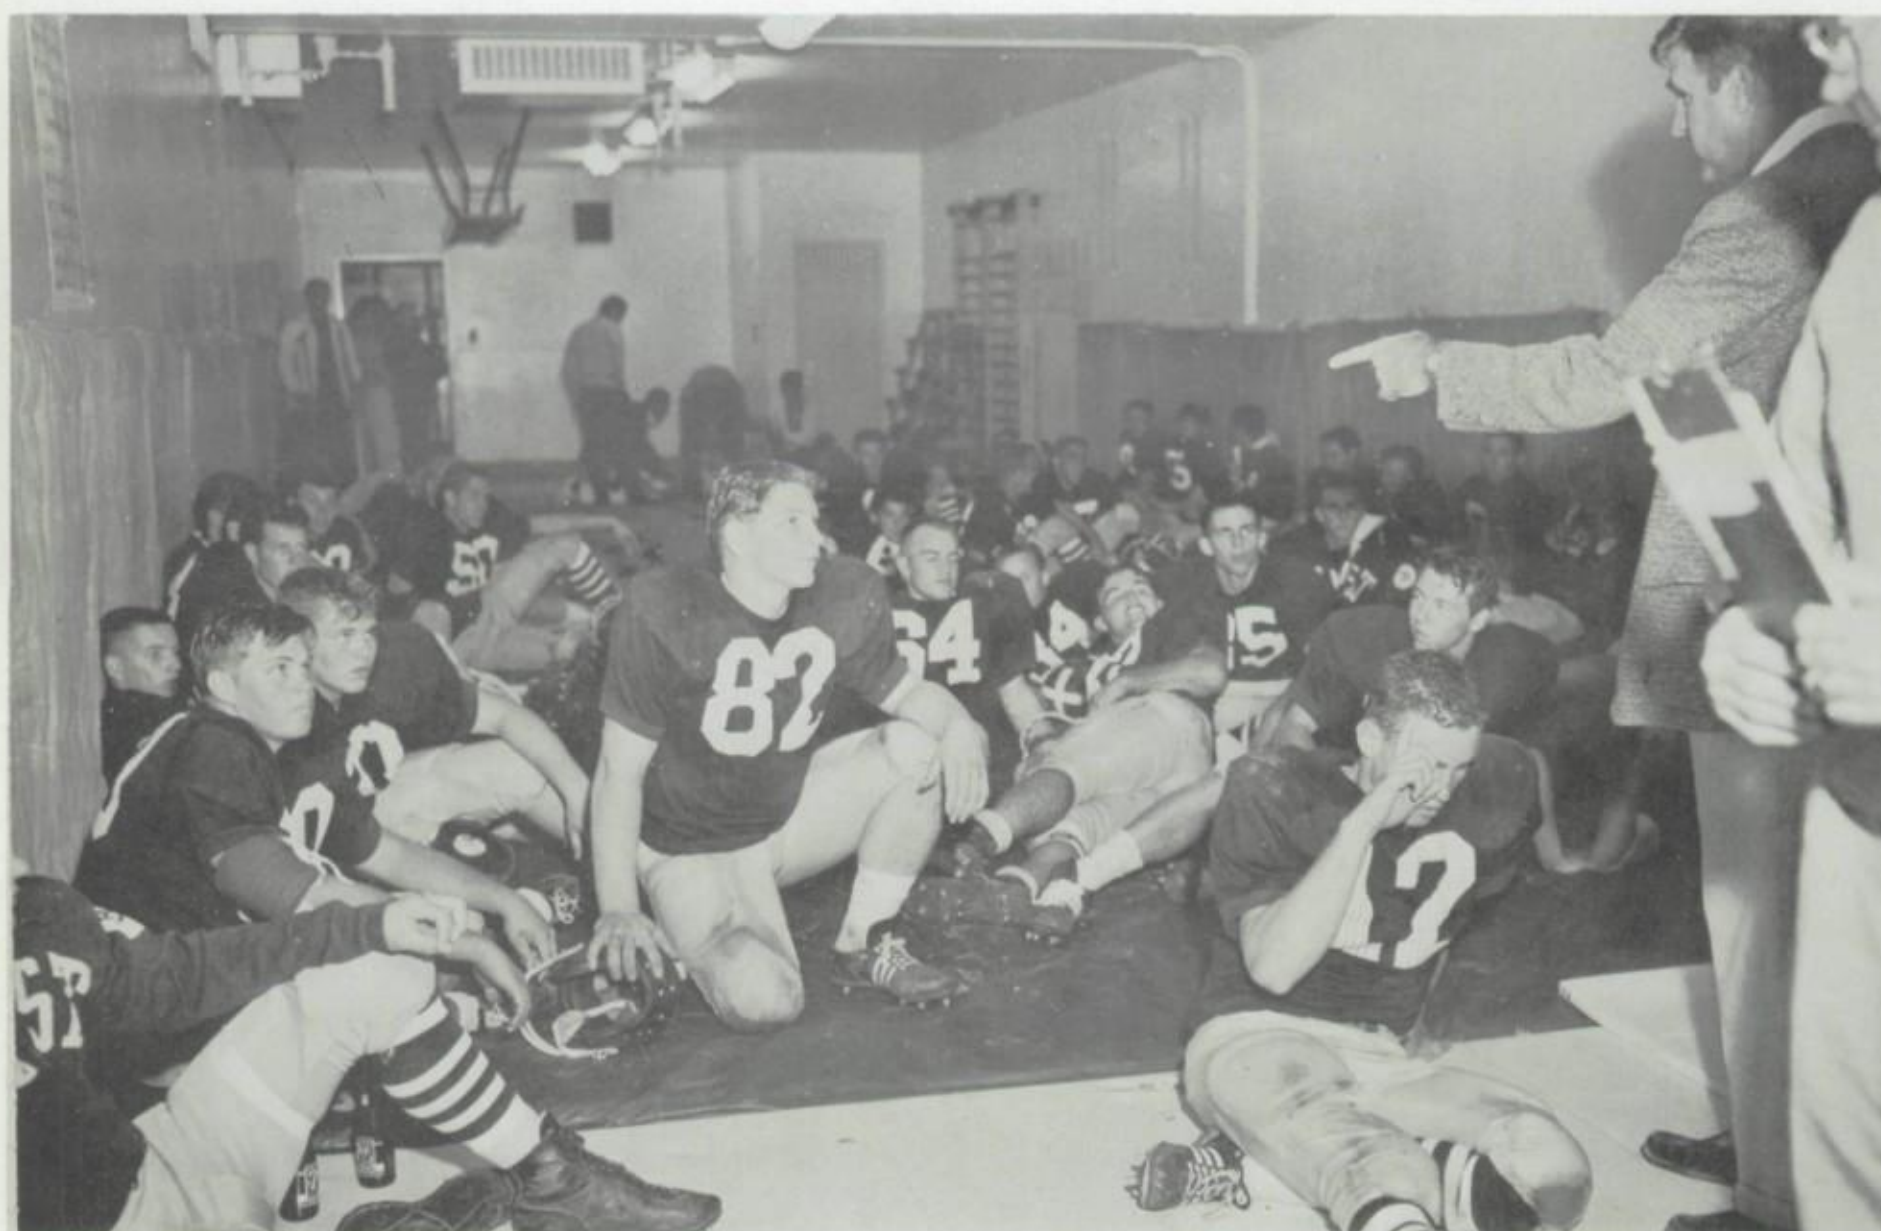

LIKE, WHERE'S THE BALL? T-Bird halfback and leading rusher, Floyd Hudlow, No. 30, left foreground, prepares to add his heft to this dogpile typical of the rugged action that marked Central's 6-6 tie with West. The Bobcat's upset knotting was the deciding game in eliminating West from city title consideration.

While the fans out in the stands enjoy half time entertainment, the West gridders spend a serious and sometimes tense moment in the locker room resting and receiving instructions from Coach Braasch.

football

Coming out of a tangle are West's T-Birds and PU's Coyotes. Looks like they're looking for someone's contact lens!

About to be upset by an ominous Jackrabbit is T-Bird ball carrier, Jim Norman. West won this 20-13 tilt.

THEY ALSO SERVE WHO ONLY SIT AND WAIT. Suffering visibly on the sideline are left, Chuck Lichte and right foreground, Mike Major.

West's winsome cheerleaders, left to right, Vickie Fields, Tammy Armstrong, J. E. Clark, Marilyn Reece, Kathy Robinson, Susan Mason, and Carson Boice, await the West gridders' entrance through the Thunderbird banner. Will the pigskin have any attraction for the team, though, after they catch sight of the magic seven?

450 good reasons (pounds) why West opponents went over instead of through the West defense, Curtis Collier, left, and Mike May, right, lead the Thunderbirds onto the turf to begin the Central scramble.

Less than a minute and a half to play with a 13-7 triumph locked up over Phoenix Union, destined to be the number two power in the state. Yet when the gun sounded, the scoreboard read, West 13, Phoenix Union 14. This minute and a half of play set the pattern for a hard luck season, which although showing a creditable 5, 2, and 2 record, was marked by an inability to take the big ones. In this action Gary Hanshaw, T-Bird halfback, tries vainly to defy gravity and a determined tackler.

West cornerback, Bill Carlson, No. 34, practices his wrestling from early in the season with a flying hold and pin on a North ball carrier. Engaged in a search for four-leaf clovers in the left foreground is Bill Henderson. The Thunderbirds scored early, late and often as they shellacked the hapless Mustang eleven 27-0. The scoring parade for the season was led by Floyd Hudlow.

DOESN'T ANYONE LIKE ME? Getting a stiff arm from friend and foe alike here is West's Ron Houser as Mike May comes up for a carom shot to halt Rebel Jim Jones after long yardage. Jones and South Mountain had too many guns for the Thunderbirds and snared a hard-fought 27-17 victory.

Running roughshod and rampant over Jackrabbit pursuers is Will Brundage, West picket. With senior quarterback Jim Norman passing for one TD, setting up a second on another aerial, and running for a third, the T-Birds stunned Mesa 20-13.

THE RIDE'S ON US, COACH. Getting, and deserving free transportation is T-Bird coach, Vern Braach, whose eleven has just upset Mesa 20-13, the first loss in 17 games for the Jackrabbits. Totin' are, left to right, Cory Flindt, Bill Hutcherson, and Charl Riggs.

"TWO HANDS IS FOR BEGINNERS" seems to be the slogan of West's Jim Norman as he bolts for a 23 yard touchdown jaunt in the 20-13 win over Mesa.

Slipping by relatively unobserved is PU's fleet Eli James, whose 61 yard touchdown reception defeated West 13-14.

GEE! IF THEY'LL ONLY LET US USE TWO BALLS, THERE'LL BE NO STOPPING US. Mike May, back, and Paul Dean, front, found the refs only permitted this sort of trickery on the sidelines, however.

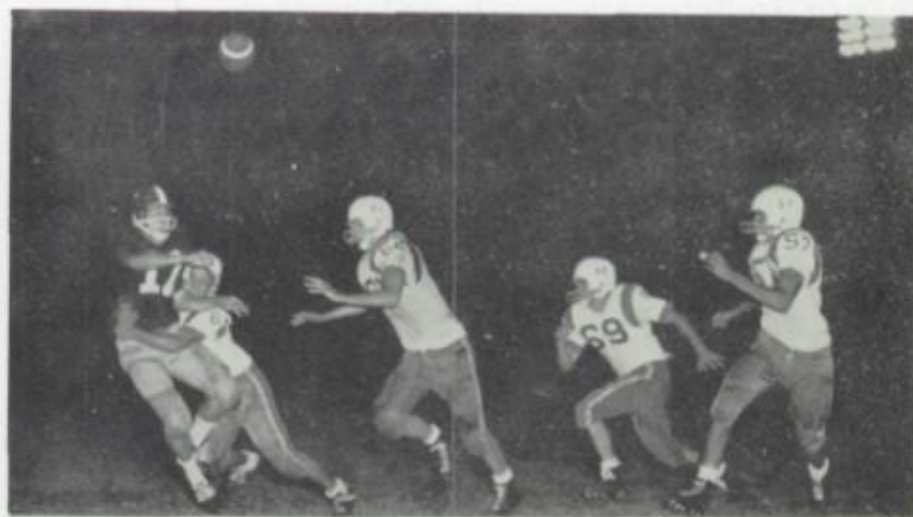

On the field of play, the players in the PU-West contest had enough trouble keeping track of one ball as this mass chaos would indicate.

DOWN HERE, CURT. I GOT'IM! Walt Niemeyer brings down PU's all-state fullback, Charles Bobo—but, PU 14 to West's 13.

Sure-tackling Jim Norman prepares to rack up the Mesa ball carrier in West's 20-13 upset.

About to be swarmed over by Camelback tacklers is Thunderbird flinger, Jim Norman. It didn't happen often, though, as West romped to a 27 to 7 conquest of the Spartans.

The Nijinsky of the backfield, Floyd Hudlow, crossteps sharply for a long gainer against South Mountain, but the Rebels had the mostest in the 27-19 scrap.

Floyd Hudlow sprints for outside yardage against Yuma in the '59 Homecoming game. The tilt with the Jailbirds found the Braaschmen needing a victory to tie for the division title. In the waning minutes Yuma drove to pay-dirt and a 13-13 tie. An inspired T-Bird machine seemingly pulled the victory out in the final seconds on a successful field goal attempt only to have the effort nullified by a penalty thus eliminating them from playoff consideration.

homecoming

Ummmmm

Lemme have another turn!

Taking that "long walk" before finding out who will be the 1959-60 Homecoming Queen are from left to right, candidates, Polly Alexander, Vickie Fields, Kit Manley, Susan Mason, and Patti Schmidt. Their escorts, in the same order are class presidents, Paul Landers—Senior, Charl Riggs—Junior, John Theobald—Sophomore, and Reed Dana—Freshman. One of these girls doesn't have an escort—but, which one?

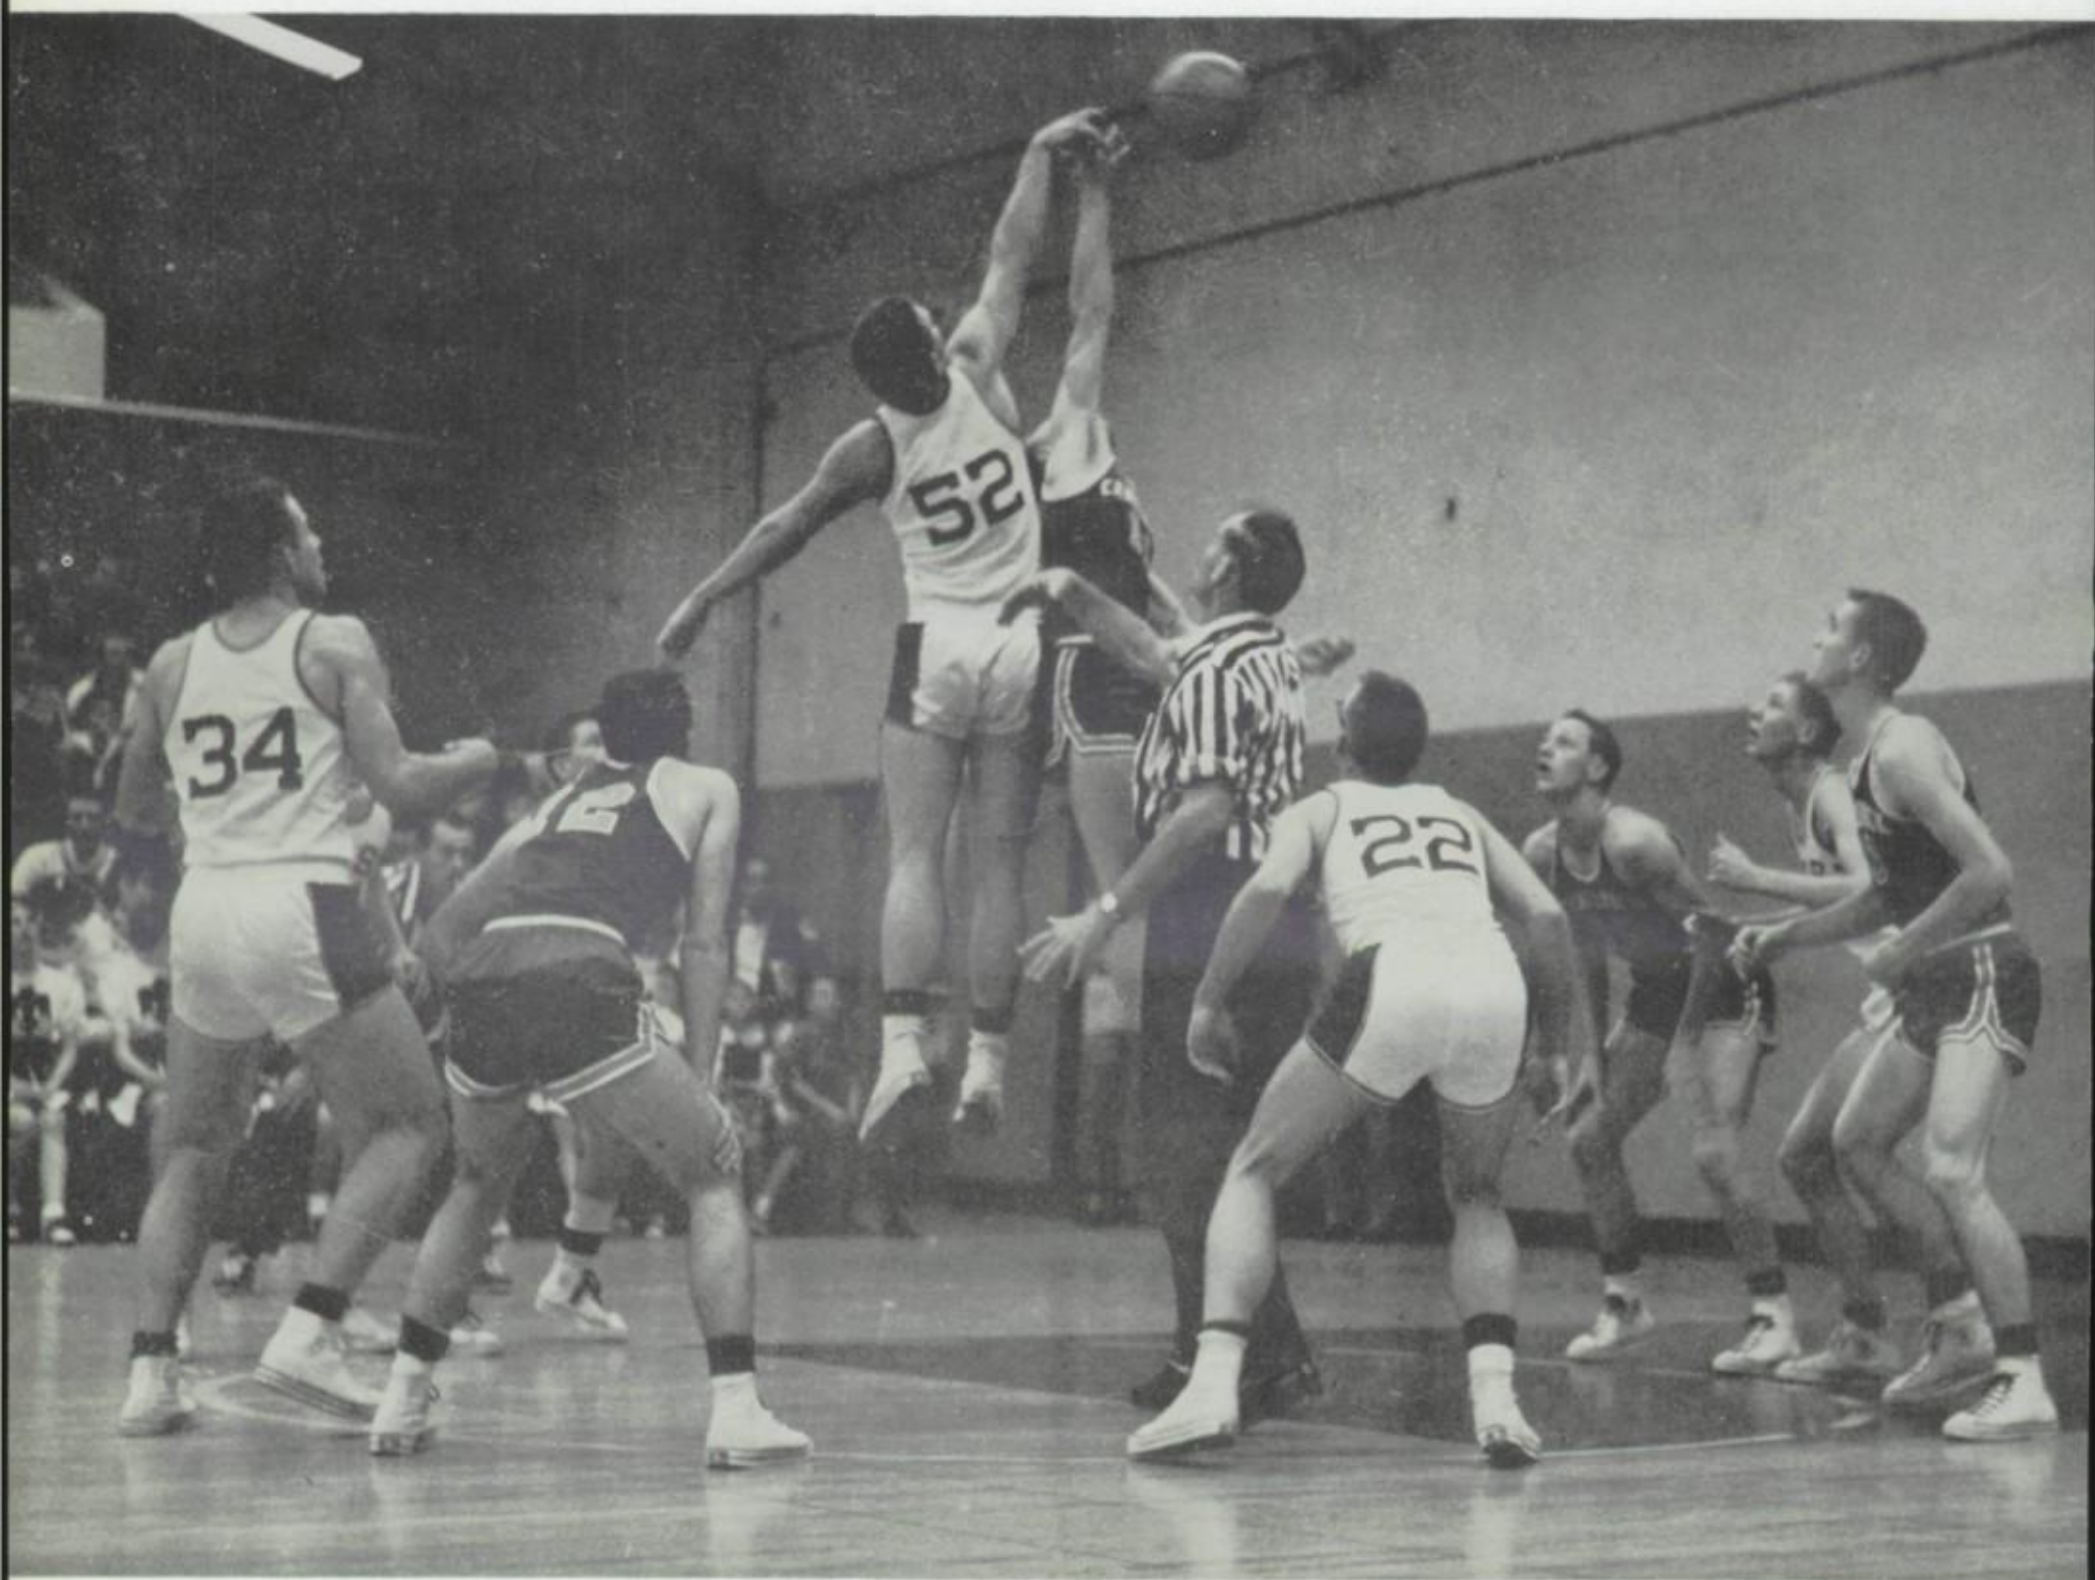

Leaving the field, the victor, is Queen Patti. Who's that driving?

For a while, it didn't look as though West High was going to have a Homecoming this year. The rain prevented it the first time around. Floats were wrecked, and the field was flooded painting a pretty bleak picture. But you T-Birds, rallied round and had your Homecoming in November—about a month late. This time, the weather was perfect, the floats were great, the queen and her attendants were lovely, and the game was terrific. All stacked up, they made a fabulous 1959-60 Homecoming.

Here the queen, Patti Schmidt, center, and her attendants from left to right, Kit Manley, Susan Mason, Vickie Fields and Polly Alexander, pose for the photographer and for their subjects—the West High Student body. This year the attendants were all senior girls, starting a new tradition in the method of choosing queens and candidates at West.

**DON'T EVEN THINK IT,
COACH, MUCH LESS SAY IT!**
Suffering the pangs of a re-
building season is Coach Fred
Roche.

Flying high to drop one in for the T-Birds vs Central is junior Floyd Hudlow whose points for the season placed him 7th on the scoring list. Of the top seven scorers only two are seniors—Jim Norman, 1st, and Larry Myers, 5th. Ron Houser, 2nd, and Bob Smith, 6th, are juniors. Jim Schoon, 3rd, and Tom Cunningham, 14th, are sophomores.

T-Bird, Ronnie Houser, jumps against a Camelback Spartan. Wonder who'll get the ball?

There goes a free throw by West's No. 25. Wonder if he made it?

One of these jumping T-Birds is bound to dunk that ball. Or maybe that Brophy hoopster sandwiched in between them will get it.

Poor Mike Major on the floor. Dosen't anybody like him?

WAIT 'TILL NEXT YEAR! This was the word of hope for West High fans and the word of warning for rival coaches.

It was a year of rebuilding for West High's cagers—a year that boded ill for 1960-61 T-Bird opponents. Coach Fred Roche, lacking the all-essential rebounding strength and experience for a contender, chose to develop a promising host of junior and sophomore hoopsters — boys like sophomores Mitchell Erickson, Tom Cunningham and Jim Schoon; and juniors Ron Houser and Floyd Hudlow. The final record of eight wins and eleven losses is both creditable for a young team, and deceptive in that the youthful quintette began to jell in late season enough to cause rival coaches to mark West as a dark horse possibility for next year.

Further optimism was provided by the impressive 14 and 6 record of the JV squad.

West's matmen showed a fine record for the 1959-60 season climaxed by a fifth overall in the state tournament. Individual highlights were the state championships garnered by Jim Oglesby in the 120 weight class and Mike May in the heavyweight division. Back row, left to right, Carl Glover, Ron Fasola, Ron Jepsen, Carl Hunstinger, Tom Clark, Dave Groseclose, Lex Smith, Jim Oglesby, Dennis Grunch, Lee Hanley, Paul Flint, and Don Palmer. Front row, left to right, Chuck Lichte, Mike May, Ken Davis, Curtis Collier, and Evans Woodhouse.

CHAMPS! Winners of the upperclass intramural wrestling tournament are (top) Don Palmer, Joe Snell, Paul Dean, Dave Groseclose, and Curtis Collier. Bottom, Lex Smith, Tim O'Connor, Bill Carlson, Bill Collier, and Frank Myers.

RASSLERS! The 1960 JV wrestling team who recently completed an 8-2 season are (left to right, front row) Dave Collier, Ken Gerst, Chuck Lichte, Cory Flint, Paul Dear (second row, left to right) Lex Smith, Ron Fasula, Keith Webb, Bob McDaniel, Bob Westover, Tim O'Connor, Gary Mandalfin (third row) Marvin Buxton, Joe Snell, Carl Pyper, Gary Linton, John Gilchrist, Mike Ruk, Wayne Wright, Carl Betz, (back row) John Cantrel, Coach Reg Matthews, and Tom Galbraith.

"I GIVE UP," seems to be the cry of West Varsity matman, Carl Hunstinger, finding himself the victim of a half-nelson. But such was not the case as he went on to win the match.

With their eight wins, two loss record for the 1959-60 season, the JV wrestlers showed great strength. The team wins were Over North, Carl Hayden, South Mountain, Camelback, Scottsdale, Central, Sunnyslope, and Glendale. They are especially proud of the last mentioned. Their only losses were to Mesa and Phoenix Union.

SLUG THAT BALL, RICK! T-Bird Rick Nelson hits a ball that is certainly good for a first-base run in the 10-9 Central game, which they won.

Pitcher Will Brundage heaves a ball in the style that made him the number one Thunderbird ball thrower for the year 1959-60.

Will Brundage with his perennial smile pitches to Jail-Bird Hank Tester in the West-Yuma tilt. Must have been a ball since West lost the game.

The Varsity Track team for 1959-60 are, from left to right, (front row) Gary Hankins—manager, Donald Stallings, Frank Bruscato, Pete Falbo, John Duckworth, Jim Taylor, Ron Jepson, Jim Norman, Craig Krombie, (second row) Gary Burger, Kenny Stamps, David Johnson, David Robbins, Joe Snell, Bob Adams, Walt Neimeyer, Htuch Hutcherson, Dudley Barryhill, Frank Naylor, (third row) Floyd Long—manager, Larry Gruse, Chuck Lichte, Tim Lind, Jack Mezera, Larry Sutter, Joe Stauffer, Leland Nyggard, Glen Clement, Jim Turley and Don Mershon.

The JV thinclads this year are from left to right, (front row) Bud Parks, Jeff Williams, Tom Rrey, Lee Bourne, Joe Wiggins, Earl Dahlen, (second row) Ron Houser, Steve Burt, Scott Walter, John Masaryk, James Tradup, Jim Schoon, (third row) Jerry Johnson, Dave Klotz, Marvin Buxton and Butch Northington.

Jim Norman, varsity thinclad, shouldn't be afraid to look and see how far he put the shot, but his peculiar expression suggests something out of the ordinary.

With a mighty groan Ron Jepson, varsity trackman, heaves the twelve pound shot over fifty feet. Along with varsitymen Jack Mezera and Jim Norman, Ron has compiled quite a few victories for West High in the city meets.

Thinclad Gary Berger approaches the finish-line closely followed by teammate Dud Berryhill. Both runners are recognized as being two of the city's top contenders.

With a determined look on his face, Jim Norman, charges over the high hurdle. Jim has done especially well in this event.

Senior Leland Nyggard calmly watches as part of Coach Dale Torrence's track team begins the mile race. Shown are John Major, Dave Robbins, Frank Naylor, Pete Falbo, Ron Houser, Dud Berryhill, Jim Taylor and Gary Berger. Also competing in this practice run is John Ruston, former West High graduate.

Tim Lind, West High's star highjumper, attempts to clear the bar as his teammates, Joe Stauffer, Larry Sutter, and Ken Stamps, look on.

SWING IT! Doing one of their novelty routines are this year's Pom Pon girls.

LEFT! RIGHT! These unusual looking soldiers are members of Productions. They are showing their style at the Christmas assembly.

A SERIOUS DISCUSSION? One of the more serious assemblies was a panel discussion entitled "Youth in the Community." Participating were Mayor Mardian, Mrs. Johnston, Sandee Hoff, Mr. Walker, and Harold Cribb.

WHAT DID YOU SAY GEORGE? An added attraction at the basketball assembly was the talent of George Price, Paul Landers, Mary McEowen, Kent Dana, and Pat Kurtz.

WOW! LOOK AT THOSE LEGS!

THAT SPIRIT BOB?

e of the first assemblies of the year was devoted to building school spirit. Jim Pennington certainly has more than his share.

T-Birds celebrated their tenth big rodeo day with their usual fervor. They made this the best by ruling that everyone wear Western clothes for the day and then appointing a whiskered sheriff and fuzzy-chinned deputies to enforce the ruling. Offenders were made to ride the donkey in the quad during lunch. A thinking-man's assembly, Gunshy, started off the day and was followed by the "burro riding" and a rhythm-rousing dance played for by the Rebel Rousers in the gym at noon. These same swinging cowboys played for "The Stomp" that night.

AW, COME ON. Don Mershon seems to be having trouble with a participant in Rodeo Day. Wonder who won?

IT ISN'T THAT BAD, IS IT KAY? The dance on Rodeo Day was the scene of this original stomp.

ROCK IT! The Rebel Rousers entertained at The Stomp.

WHO WILL IT BE? Doing the judging at "The Stomp" is Dave Groseclose. The fortunate winners were Frankie Williams and George Price.

THE LONG AND SHORT OF IT. Rippin' it up at The stomp are Nancy Anaker and Lee Bourne.

GREAT SCOTT! Is that what our Pom Pon Girls look like to the artist in Marty Gilchrist?

girl crazy

DON'T LEAVE ME! Dennis Phillips just doesn't want to let Danny Baker out of his sight.

"TREAT ME ROUGH" and it looks like the girls are taking him literally.

"Girl Crazy" under the direction of Mr. Huff, Miss Prather, and Miss Campbell was presented on the 25th and 26th of March. The leads were taken by Vicki Bonn and Dennis Phillips. The play centered around a desolate Arizona town "Custerville," where there were no women. "Danny," the main character sets out to remedy this.

"BIDIN' MY TIME" Steve Corcoran, Kent Dana, Bill White, and Bill McLaughlin were the quartet that was a very entertaining segment of the play.

OLE! Eleanor Prickett is doing one of her wild dances in the all-school play. Anyone for Mexico?

YOU DOG! Vicki Bonn seems quite aggravated with Dennis Phillips. Doesn't look like Tony McCune is going to be any help.

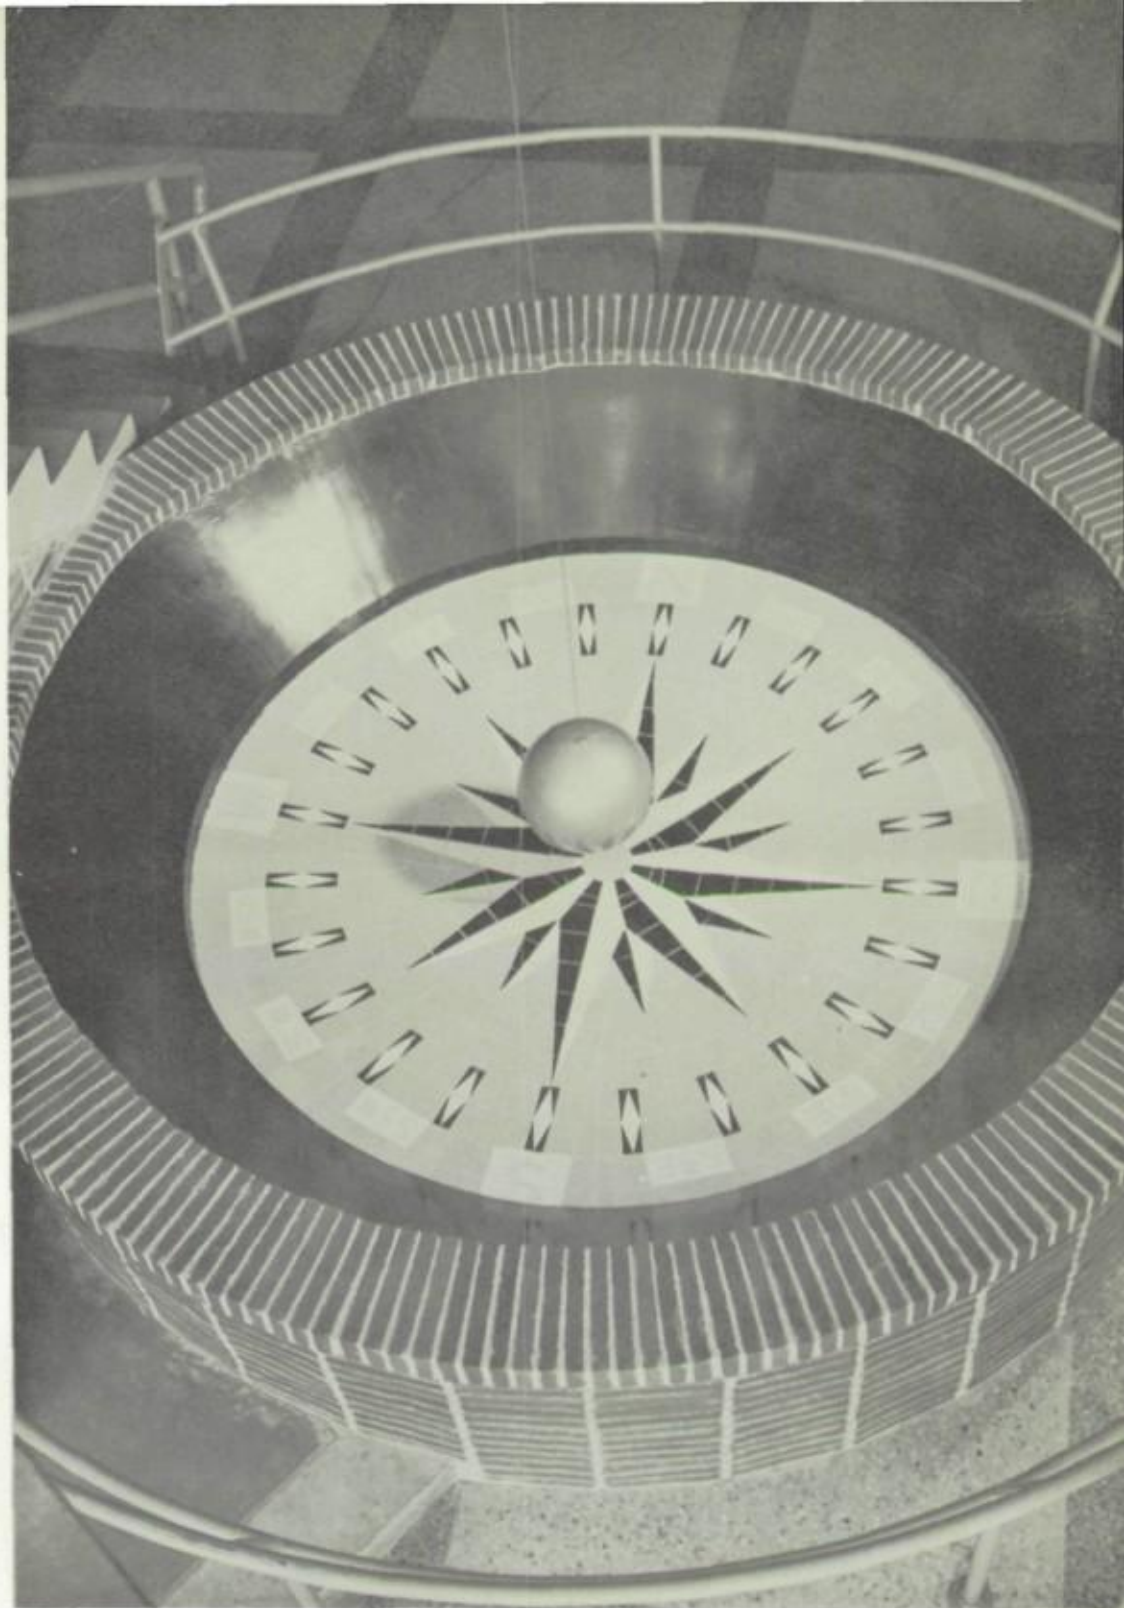

"WHAT A LIFE" Don't get violent Doug, Bob can't take that. Doug Parker and Bob Winters are having a mite of trouble.

MY, HOW CUTE! Mike May is having a laugh over something. Could be he is embarrassed.

YEA TEAM! Cheering madly for the seniors are, from left, Susan Mason, Polly Alexander, Kay Lecky, Vickie Fields, and Linda Mitchell.

pendulum

The pendulum was newly initiated at West this year under the direction of Mr. Thorpe of the Science department. The pendulum not only shows the rotation of the earth, but it is also an added decorative attraction.

JUVENILE DELINQUENTS? No, just A Capella's initiation. This yearly stunt is repeated by most of the clubs on campus, in different ways of course.

BATTER UP! Bob Locker winds up for a throw at the members of L'ouest Fille T but instead of using the usual ball he's armed with a sponge.

COME BACK HERE! Jeanette Jensen seems to have a great desire for that ball in the possession of Carson Boice. This brawl was the annual tangle between the Cheerleaders and the Pom Pon girls at the Basketbrawl.

LUNCH HOUR. Pat Lindley and Gary Schlecht are obviously deep in conversation. Wonder what is so intriguing?

IT'S MINE! The scene of this brawl was the annual GAA slumber party.

MY, HOW CHILDISH! Joe Snell seems to be disgusted with the antics of Joan Jean. Probably's just jealous.

RESTING? From this picture one gets the impression that Mardi Gras was a very strenuous dance. How relaxed can you get!

WHAT'S NEW? Seems like Sharon Deutsch and Connie Maddux are quite the gossippers. They didn't even know the picture was being taken.

MARDI GRAS Peering through the false ceiling you might be able to see someone you know. Dizzying isn't it?

FIRE! RUN FOR YOUR LIVES! Everyone seems quite concerned with the prospect of a fire, don't they?

seniors remember when

... you attended your first high school dance, the Freshman Mixer. Do you notice any difference in Dale Samuels, Dave Groseclose, Carl Buchanan, or Edith Waidner? Doug Parker doesn't look a bit different, does he?

... you elected the first officers to govern your class. They were Susan Mason—vice-president, Bob Smelick—president, Marilee Antrim—secretary, and Rod Kawata—treasurer. They all carried on to become student body officers.

Here the Freshman Class Council for the year '56 — '57 poses prettily for the camera. Compare it with the '59 — '60 Senior Class Council and you'll find many of the same faces.

MOST DIGNIFIED, this year, are Miss Sharon Deutsch and Mister Dean Mitchell.

Mary Lou Kleindenst and Doug Parker were chosen the **WITTIEST** because of their "punny" remarks.

Kit Manley and Nick Hagen have been found to be, because of their pleasant ways, the **BEST NATURED**.

Because of their neat and stylish attire Vickie Carr and Bill Gumbert were voted the **BEST DRESSED**.

Bobby Bowley and Jim Packard are 1960's **SHYEST T-Birds**.

senior favorites

This year's Senior Favorites were voted for by this year's seniors in their Government classes. The ballots were then tabulated and the boy and girl having the most votes in a category were chosen as the "Favorite" for that category. Here they are as chosen by the class of '60.

A friendly smile and a winning personality helped chalk up the votes that made Susan Mason and Dave Groseclose the **MOST POPULAR**.

"Brains" Beneva Brown and Mike Cosgrove might say "It's the gray matter that counts," if they were to be congratulated on being the **MOST INTELLIGENT**.

Their fancy twirls on the dance floor enabled Toni Gabriel and George Price to be picked as this year's **BEST DANCERS**.

Louise Smith and Jim Norman excelled in T-Bird sports and thus became the **MOST ATHLETIC**.

Because of their ability to disrupt classroom discipline and to "wise-off," Peggy Farone and Mike May were voted the **CLASS "CUT-UPS"**.

taxES...
TAXes...
taxes?...
TAXES!

Rehearse it well! It's a word you'll be questioning often, praising sometimes, complaining about regularly... for the rest of your life. And yet, the freedom to pay for the education, recreation, and protection we want through taxes is a privilege reserved only for a free people.

We at Arizona Public Service, are happy to accept our responsibility as a good neighbor, along with nearly all businesses and individuals, by paying our fair share of taxes.

Providing low-cost utility service is our main job. Being a good taxpaying citizen is important, too!

CONGRATULATIONS

T A

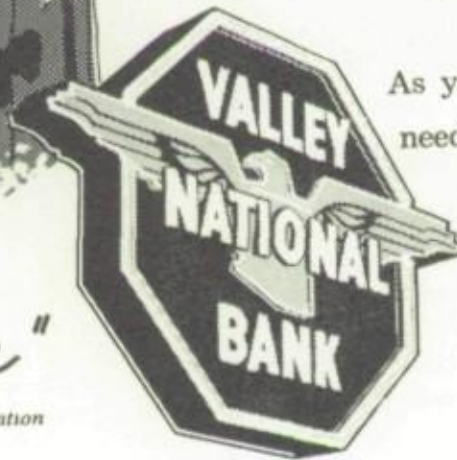

*Some to college...
some to work*

We hope you will find a way to college,
for your life will be fuller and richer if you do.
For those of you who must enter the business world
now, let us recommend that you open a savings
account immediately — however small —
at the Valley Bank.

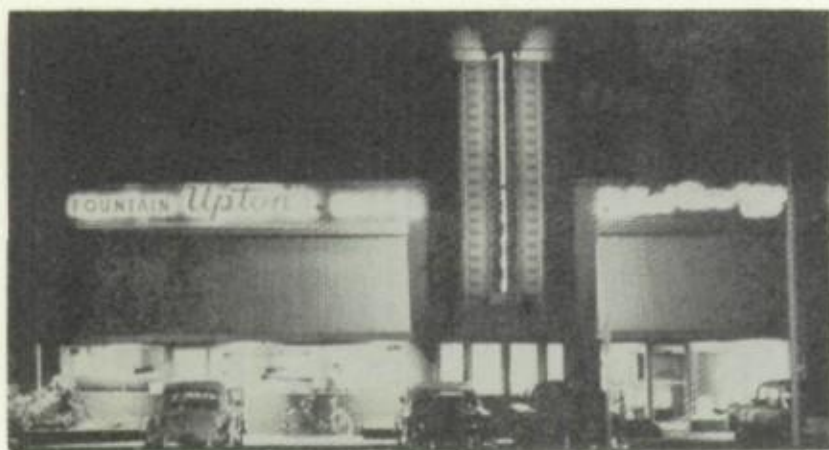

As you progress in your business life, you'll
need bank credit. And when a banker makes
his first loan to young people, he is
guided mainly by the banking record
they have established in the past.

Few people realize the work that goes into producing an annual. This year's staff, all being new to working on one, was no exception. Notice the "was" is the past tense for we soon found out. As soon as production began we discovered just how much work is involved. First, plans were made for the general layout and theme of the book. Then specific layouts were made. Pictures were taken to fit in these layouts and then pasted down. Copy was written to fit in the picture. All this conglomeration was sent to the printer, after which the printer sent back copy to be corrected and pasted down. And so went the process for the creating of the 1959-60 Westerner. For their parts in this "creation" I would like to thank:

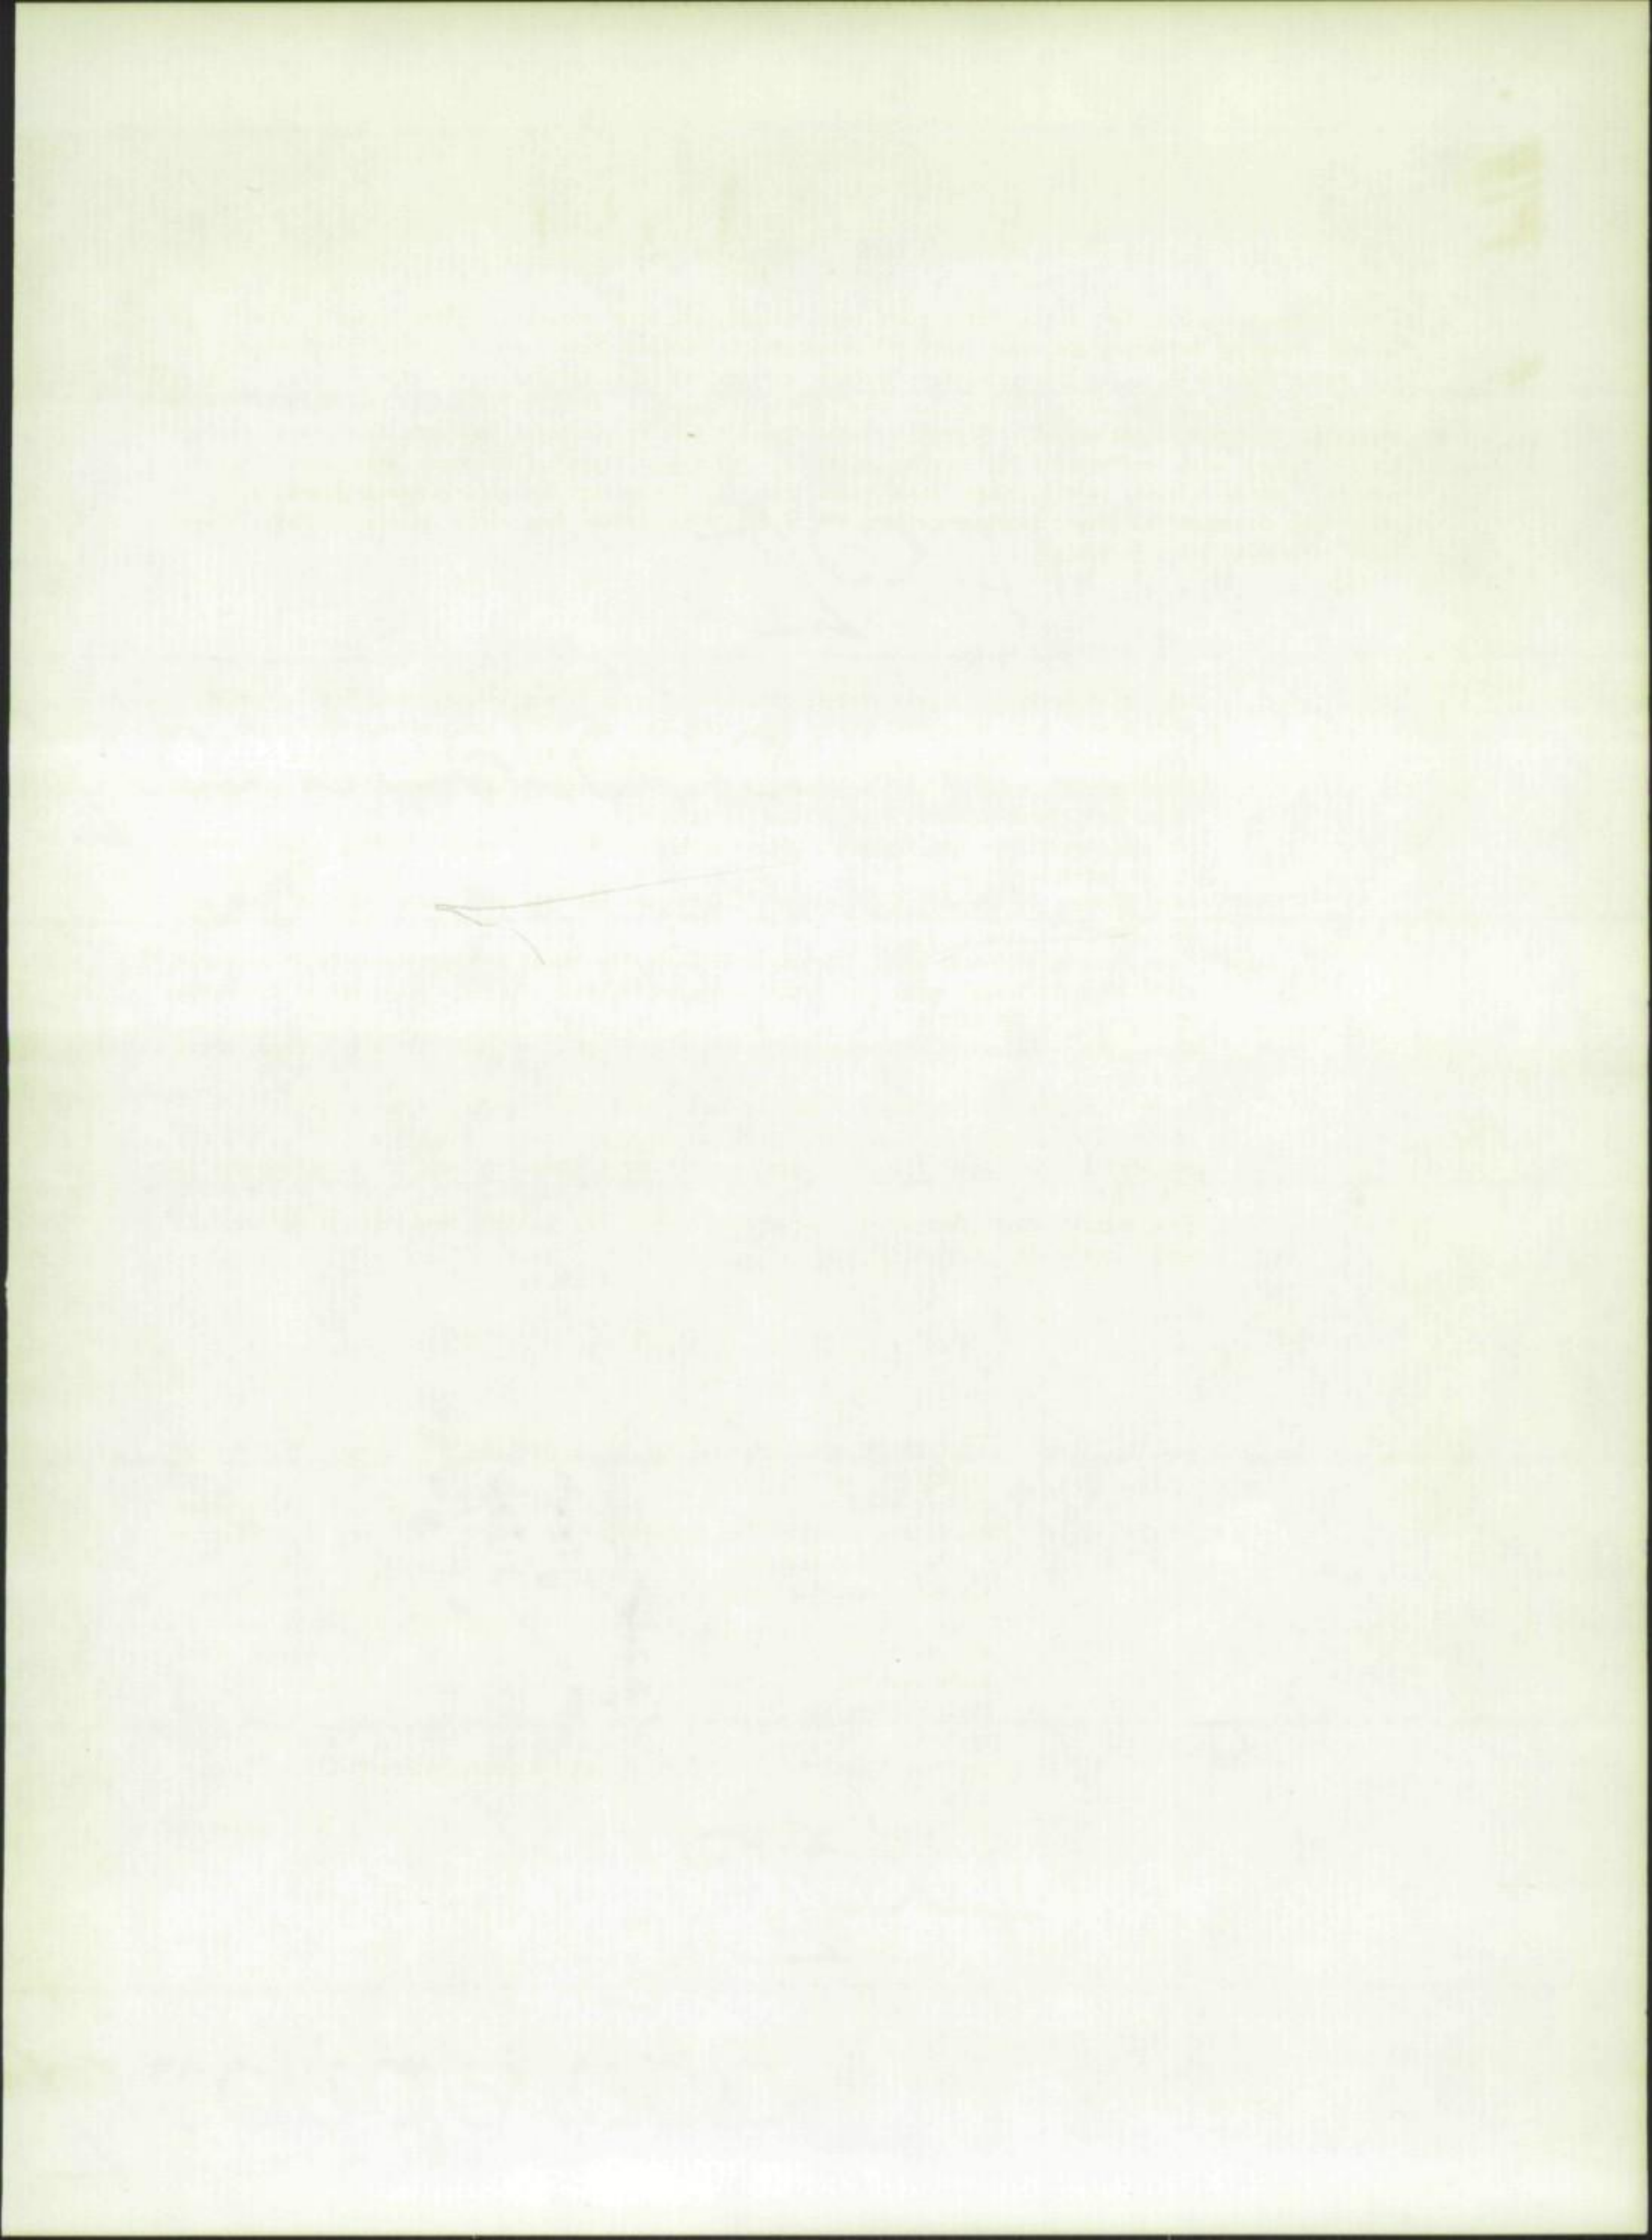

Mr. Zimmerman, our sponsor, for his advice, his patience and his Saturdays.
 Mr. Agee, Mr. Naegle, Betsy Vial and the ad staff for getting the ads.
 Mr. Fincher and his typing class for typing up the senior activities.
 Mrs. Miller and Miss Peebles for the endless lists of names they gave us.
 (And for their patience with our questions.)
 Mr. Stewart for his terrific sports copy. (That we girls, being such, could never have written.)
 Mr. Nobes of Desert Lithograph Company for his patience with us and our deadlines.
 The photographers, Bob, Karen, and Don, for their professional-type pictures and their patience with our photo orders. (There was an awful lot of patience involved in this annual.)
 Mary Ann Tilton, Christine Reid, Joan Elquist and Judy Dow for their work and ideas.
 Judi Woodfrord for such "intellectual and intelligent" type copy.
 Micki Campbell for her consciencious and complete work.
 Marty Gilchrist for her encouragement and help. (Much of which went to the editor.)
 The whole staff deserves a special thanks for taking my harassing while I was "learning" to be editor.

Your Editor,

Cicely Overman
